Atlantic Management Center, Inc. (AMCI) is seeking a talented and motivated Full-Stack C# .NET Software Developer to join our growing team. In this remote position, you will play a key role in migrating our health informatics application to a modern and robust .NET framework, while contributing to new development initiatives.

Responsibilities:

- Design, develop, and implement web applications using C# and .NET Core frameworks (ASP.NET MVC, Web API)
- Collaborate with cross-functional teams (including UI/UX designers and other developers) to review requirements, translate them into technical solutions, and ensure seamless integration with the AMCI's proprietary health informatics application and customers' ecosystem integration points.
- Migrate existing application to a modern .NET framework, ensuring functionality parity and performance optimization
- Write secure, clean, efficient, and well-documented code adhering to industry best practices
- Write unit and integration tests to ensure code quality and maintainability
- Troubleshoot and resolve technical issues related to both legacy and modern application components
- Participate in code reviews and knowledge sharing within the team
- Stay up-to-date with the latest advancements in web development technologies and trends

Qualifications:

- Proven experience (3+ years) as a Full-Stack C# .NET developer
- Strong understanding of object-oriented programming principles SOLID, and design patterns
- Experience with SQL Server database design and writing efficient database queries
- Experience with version control systems like GIT
- Excellent communication, collaboration, and problem-solving skills
- A passion for learning and staying ahead of the curve in the ever-evolving tech landscape
- Experience with cloud platforms like Azure, AWS or GCP

- Experience with JavaScript
- Experience with SOAP web service and Restful API design, implementation, and troubleshooting
- MUST BE LOCATED IN THE USA

Benefits:

- Competitive salary and comprehensive benefits package (health insurance, dental insurance, vision insurance, 401(k) with company match, paid time off)
- Remote work environment with flexible hours
- Opportunity to work on challenging and impactful projects
- Collaborative and supportive team culture
- Continued learning and development opportunities
